# Steel Horse

Today, a bike is as much a part of a young person's life as a horse used to be to the pioneers. You can ride a bike over most terrain, sand, hills, roads and sand-dunes, as in the picture on the facing page. The New Plymouth Motorcycle Club held Trials at Peringa Park last month and pictures of these appear on page 18.

# Playcentre Week

To mark National Playcentre Week, children and parents from the New Plymouth Playcentre set up an open-air Play Centre in the Devon Street Mall for two days last month. Just over 50 children took part in activities which were designed to give the public an insight into the operation of a Playcentre.

## Ski Club Cabaret

The Ski Club held their annual Cabaret three weeks ago at the Tukapo Gym. A lively crowd made the most of the night and although the rain poured down steadily all night, it did nothing to dampen the spirits of those who attended the Cabaret.

## Oregon Wrestlers

Taranaki lost every bout at the recent tourney between a local representative side and a team of amateurs from Oregon State High Schools. The American wrestlers were far more fit than our local lads and of course this showed in the results. The visitors also displayed more technique and a variety of holds.

Pat Plourd (USA) was matched against Brad Scott (N.P.)

Several bouts between local amateurs took place prior to the matches against the visitors. C. Ashwell (Alton) won this match against J. Kinera (N.P.) on points.

Trent Scott (N.P.) beat G. Foreman (Coast) by a fall.

P. Udy (Alton) fought W. Ballintine (N.P.).

## WINTER SWIM

New Plymouth High School Girls braved the penetrating cold of the sea on a miserably wet Sunday morning a few weeks ago. The girls took their winter swim at Ngamotu Beach and the objective was to stay in the water for a period of half an hour. Funds raised from the girls efforts were to go to the school's charity fund.

Centennial Park at Paritutu was the site chosen to mark Arbor Day in New Plymouth, this year. The Mayor, Mr D. Sutherland planted the first tree of the day and was later joined by several others. The trees planted on Arbor Day were the first of some 1200 to be planted in New Plymouth by the City Council.

David Hodson was most enthusiastic about his tree planting.

## DARTS CHALLENGE

Taranaki Darts team, holders of the Benhill Trophy, met the Hawkes Bay team in a Challenge match recently. The match also saw the Taranaki Ladies team defending the Franklin Trophy from a challenge by the Hawkes Bay Ladies team. Both the Taranaki Ladies and Mens teams won their matches with the result that the Franklin and the Benhill Trophies still remain in the province.

## Gilbert & Sullivan Show

A return appearance to New Plymouth of the Gilbert and Sullivan Show which toured last year, was staged a few weeks ago at the Opera House. Five members of the D'Oyley Carte Company of London comprised the cast. Donald Adams was very much the star of the show. He was ably supported by John Cartier, Marilyn Hill-Smith, Geoffrey Shovelton and Helen Landis.

Helen Landis was not as good a performer as other members of the cast but was none-the-less enjoyable.

Geoffrey Shovelton and Marilyn Hill-Smith teamed in song in a delightful way.

## Motorcycle Trials

The North Taranaki Motorcycle Club held Trials at Peringa Park a few weeks ago. Although it had been raining steadily for some days prior to the Trials, on the day of the event, the sun burst through and shone down brightly. However the grounds were extremely wet and slippery and this proved to be an added test for riders.

*This youngster, Daryl King, put up a very creditable performance.*

## Sea Damage

Very high tides a couple of weeks ago caused considerable damage to Fitzroy Beach. As can be seen in the pictures below, much of the area has been eroded by the tides and repair of the area will take quite some effort.

*This shows the amount by which the sea has removed sand from the beach and eroded the sand hills.*

# HOCKEY

## FIJI v. TARANAKI

Fiji handled the very heavy ground at Pukekura Park, New Plymouth, much better than Taranaki last month to win the first international men's hockey match played in Taranaki since 1967, by a convincing 5-0 margin. The cricket pitch area was a quagmire and the rest of the ground was saturated and cut up quite badly as the game progressed. Fiji led 3-0 at half time.

## Stratford Bride Of The Year

The Stratford Bride of the Year Contest, this year attracted twenty six entries in the bride section and twenty two entries in the bridesmaid section. Considerable thought and planning went into the presentation of this Contest and Plunket can congratulate themselves on having done an excellent job.

Husbands of the brides, formed a "Ballet" which they performed as part of the floorshow.

Sharyn Hurley (nee Thurston) was second in the Contest.

Forwards struggle for possession of the loose ball.

Wayne Paul (Tukapa) about to make a good two handed take at a line-out.

## RUGBY CLIFTON v. TUKAPA

One of the most exciting games of the inter-club season was played at Rugby Park between Tukapa and Clifton. Without a doubt it would be one of Tukapa's better performances of the season. Forwards and backs from both sides worked really well throughout the game and both sides played as closely knit teams. The final score of 11 all (a draw) was a fitting end to the match.

John Paki (Tukapa) gets his pass away as he is tackled by Clifton's Neil Cameron.

Clifton's Williams is stopped by an excellent tackle by Ian Price.

Wayne Paul wins the ball for Tukapa at this line-out.

Peter Kidney of Opunake was awarded a Royal Humane Society certificate for bravery at a ceremony in Opunake last month.

Peter was awarded the certificate for his rescue of a young boy who was swept out to sea at Opunake Beach in June last year. County Chairman, Mr W.M. Allan made the presentation.

### RETIRING

Mr. Leo Morris of Rahotu, who has been Deputy Chairman of the Rahotu Dairy Factory for quite some time is retiring from his post.

Mr. Morris, who appears in the above picture, second from left, front row, was elected to the Board back in 1952 and has served continuously ever since.

The Board of the Factory pictured are, back row from left F.G. Hopkins, B.G. Wells, J.A. Dawson, A.E.H. Symons and C.G. Washer. Front row from left, R.L. Johnston, (manager), L.B. Morris, (deputy chairman), C.B. Green (chairman) and W.S. Thomson (secretary).

I rang Wanganui the other day. Went through the usual procedure.....Tolls, number required, my name and number. The call went through—and for the following several minutes I listened to a delightfully told story. Jiggled the phone to try and attract the operator. She returned; though at the completion of the story, with the comment "Still Working?" I informed her that I had not in fact been working (trueism) at all, and that I had obviously been given the wrong number; she said "Oh I thought that (the number) was what you wanted". It seems, Wanganui has a 'Dial a Story' and that's what I got. The number was only one digit different from the one I actually ordered; and that many callers get a 'Story' instead of the Wanganui PRO.

Parking precincts have several advantages but also some disadvantages. One of the latter is identification of parking spaces. Heard of one user who spent an hour (legal maximum) parked in a provincial precinct. He then went home for lunch and later returned to the precinct. Within 10 minutes a parking offence notice was affixed to the windscreen. Nothing wrong with that? No, except that he had parked two slots away from the spot he had occupied for an hour before lunch.

The Fitzroy Netball Club held their annual Cabaret three weeks ago at the Ngamotu Hall. A good band was engaged and they kept the happy crowd dancing most of the night. Hairdressing Competitions were held at the Westown Hotel on a Sunday afternoon in the middle of last month. Hairdressers from Salons throughout Taranaki entered in the competitions and some of the creations that resulted were, to say the least, quite incredible.

## ARCHERY CLUB

One of New Plymouth's rather interesting clubs is The Greenwood Archers. This club was reformed in October last year after being in recess for quite some time. The club meets regularly for shooting at Te Mētē Park, New Plymouth (usually on a Sunday) and also holds field shoots on occasions. One recent field shoot was over a pre-determined course on a farm and animal pictures were erected as targets. Although the club has a majority of junior members, it is hoped to attract more seniors in the future. If you would like more information about the Greenwood Archers, phone the Secretary, Mrs Knauf on 34892 or write to her at 14 Pembroke St, New Plymouth.

A rush by Midhurst (dark jersey) is brought to an abrupt end by concerted Waitara defence.

This time it's Waitara on the attack. This player gets his ball away just in time as he is tackled.

Slippery conditions made the ball rather difficult to handle. Here, a Waitara player manages to finally grasp the ball after a mid-air juggle.

One of the features of the game was the way in which the ball was kept moving. Both sides played a good game and each had their share of the ball and their share of opportunities.

## LEAGUE

WAITARA B. v. MIDHURST

Rain made conditions muddy and very slippery at Waitara for the Waitara B.-Midhurst game but it certainly didn't stop a good game being played. Both teams had their opportunities and although the going was at times rather heavy, those who braved the elements to watch the match were rewarded with exciting League. The final score went to Midhurst, who won 18-12.

After a determined rush by Midhurst, a well deserved try.

Entertainment News, Views and Reviews

### MAYBE NEXT YEAR

There's a big story doing the rounds that Stevie Wonder is likely to be in this part of the world early next year. Promoter of the show is expected to be Robert Raymond.

Also on the likely list for '75 is Paul McCartney and Wings. McCartney and Wings are considered most likely to be in the country about March.

### ADOPTION

John Lennon is reported to be in the process of beating his American deportation order by means of an adoption. The adoption is his own. Lennon it is expected will be formally adopted by a rather wealthy and perhaps a little eccentric, Los Angeles woman.

### INCREDIBLE COME-BACK

Crosby, Stills, Nash and Young were probably the most important super-group ever formed in America. Of course history writes the fact that this super-group disbanded after a life of only 15 months. Now the mighty C.S.N. & Y. are back together again, touring with fantastic response and also into record production. Reports state that their work still has the same harmony as before and that each member of the group is given more of a chance to display his own work. Their concerts have been tremendously successful and have attracted new generation concert goers as well as some of the old faithful fans.

The groups' tour is reported to have done even better business than Dylans, and that tour was about the most successful American tour of all time. For C.S.N. & Y. to top the Dylan tour they must have done incredible business for Dylan added extra concerts to his tour and still had to turn down thousands of requests for seats.

**BOWIE.....Diamond Dogs.....RCA 1-0576**

Totally incredible. There is no other way to describe Bowie in his latest work. Many of the songs have a feel to them that will be associated with his previous work, material such as 'Rebel Rebel', but other work is quite unlike anything else he has ever done and as usual with the Bowie career, he is again ahead of his time.

**Jefferson Airplane.....Early Flight.....RCA 1-0437**

A collection of tracks from the group's early career. These have not previously been released on an album but included are many gems. Material such as 'Have You Seen the Saucers?', 'High Flying Bird' and 'In the Morning' are some of the group's classics and should not be missed.

**CLEO LAINE.....Live at Carnegie Hall.....RCA 1-5015**

Cleo Laine has an impressive jazz orientated voice and her performance reflects this at all times. Wisely perhaps, she tends to concentrate her repertoire around jazz, blues or a hybrid arrangement of these. If your bag includes this type of material, then you're going to go off wild over Cleo Laine and over this Album in particular.

**From Spirituals to Swing....Carnegie Hall Concerts 1938-39. Vanguard.....47-48.**

This double album set could be loosely described as a once in a lifetime opportunity to acquire a truly valuable collection of blues, jazz and gospel material from the days when this type of material was at its peak of popularity. These concert performances include some of the all time greats, Count Basie's Original band, Benny Goodman Sextet, Lester Young, Buck Clayton, Big Bill Broonzy and a host of others. This is more than just a collectors item, it is a never to be repeated opportunity.

Jefferson Airplane.

## High School Basketball

New Plymouth Girls High won the recent inter-Taranaki secondary schools girls indoor Basketball tourney with a convincing 36 to 14 win over Hawera. Hawera have won the tourney for the past four years and were confident of winning again for their fifth year in succession. Perhaps this confidence was their undoing. The tournament was this year staged in the YMCA Stadium in New Plymouth.

There was plenty of action in the Stratford-Inglewood match.

## A GAME

Extremely wet and muddy conditions made play difficult when Taranaki and Auckland secondary schoolgirls met for three games in New Plymouth last month. Auckland won the A grade game 3 — Nil in a match that saw the visitors have their own way through most of the game. The only win to Taranaki came in the B grade match when Taranaki won 2 to 1.

### C GAME

Auckland players won the C grade game by 3 to 1. Taranaki battled fiercely but were not good enough and the adverse conditions certainly appeared to affect their play. Auckland performed much better in the muddy and wet field and deserved their win.

## RUGBY

Inglewood won their first division match against N.P. Old Boys at Rugby Park, New Plymouth, 9-4. The match was played in driving rain and extremely muddy conditions which made progress slow and difficult for both teams. Inglewood led 6-4 at half time and from then on they never looked even close to losing their advantage. They kept the pressure on during all of the second half and never gave Old Boys a second chance.

Sheer tenacity shows on the faces of the Inglewood players (dark jerseys) as they win the ball at a line-out.

Determined team work on the part of Inglewood forwards won the match the team.

# search

A great number of South Taranaki people took part in a search for four men who went missing off the coast at Waihi during a fishing trip. The search lasted the best part of a week and involved skin divers, aircraft and a great number of volunteers who combed many miles of shore line. Eventually the search was called off without any trace of the men. Only their boat and boat trailer were found.
