## SOCCER

MOTUROA UNITED  
v. PORIRUA

Moturoa United fought well throughout their game with Porirua United at Western Park, New Plymouth. With the score tied at one all at full time, the game went into extra time and after about twenty minutes of play Porirua United scored the goal that finally won them the game.

## ST. JOHN CABARET

St John Ambulance Division held their annual Cabaret at the St John Hall in St Auburn Street, New Plymouth a short time ago. The band of the North Taranaki Country and Western Club provided the evening's music and a reasonable sized crowd thoroughly enjoyed the evening.

## Vice-Versa Social

The New Plymouth Savage Club held a 'Vice Versa Social' in the Welbourne School Hall a short time back. While we thought that many of the outfits were quite hilarious, the occasion had a more serious moment when Club members, Mr & Mrs Colin Benton were farewelled. Mr Benton was presented with a life membership badge in appreciation of the work he has done for the club over the years.

Rangatira Brian Inns and Ray Thomson were really delightful 'ladies'.

Peter Gardner and Bill Kerr.

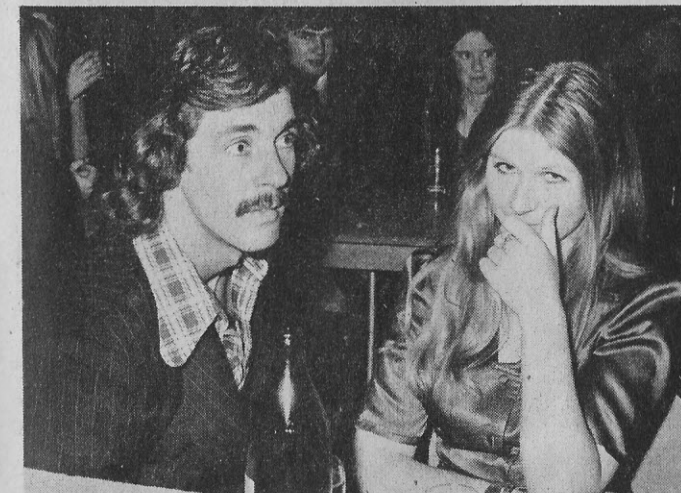

Jim Whiting (alias Miss Adams) has a quiet word to Pauline Belcher.

## ROTORACT CABARET

## DANIEL BOONE SHOW

The Daniel Boone — Bulldogs Allstar Band Show came to town a few weeks back. The Show played at the New Plymouth Opera House to a very receptive audience. While some critics 'slammed' the show, we (along with most of the audience) found it to be thoroughly enjoyable.

The lead singer of Bulldogs kept the show at a lively pace.

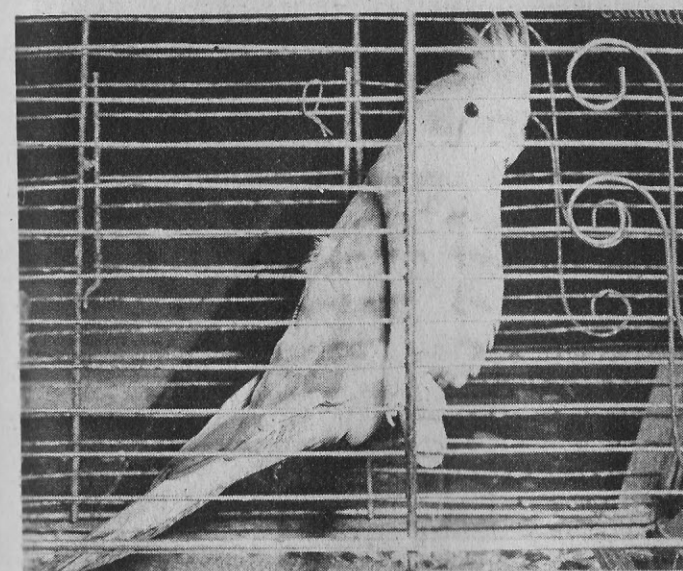

When the group went into this comedy turn, everyone really broke up.

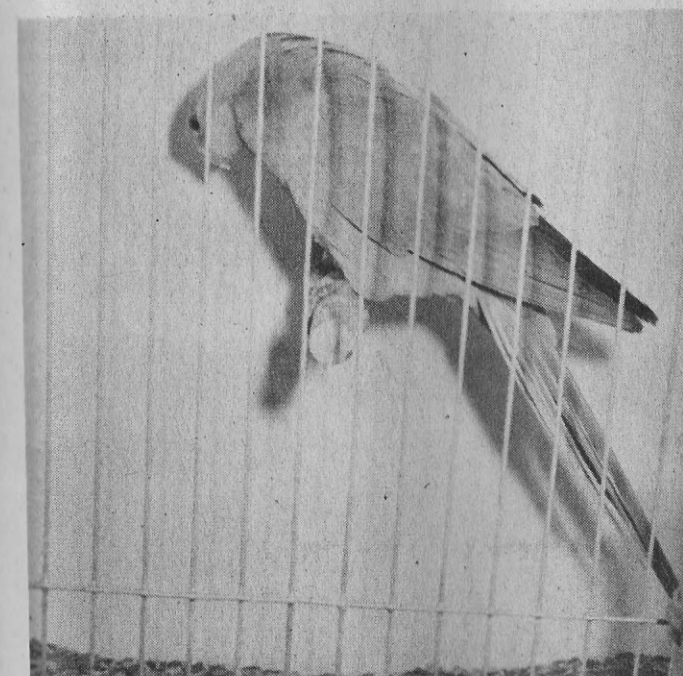

## BIRD SHOW

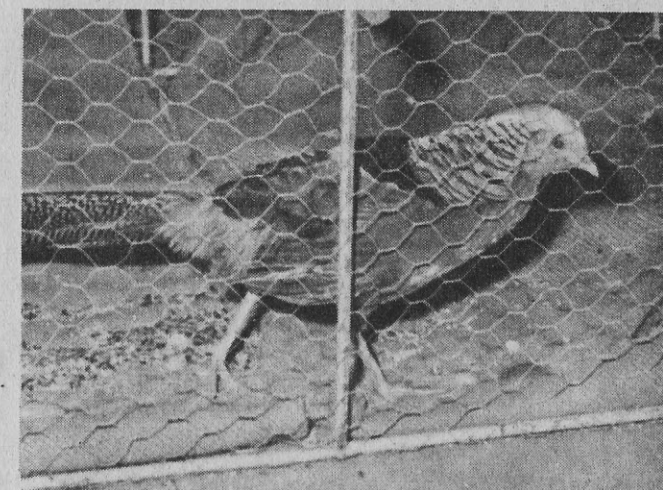

The New Plymouth Caged Bird Society held a Bird Show a couple of weeks ago at the Devon Intermediate School Hall. Many species of birds were entered in various sections and much attention was focused on the show. Even though the weather was adverse, quite a large crowd attended the show, which was staged over a two day period.

A Barraband owned by G. & M. Faigan.

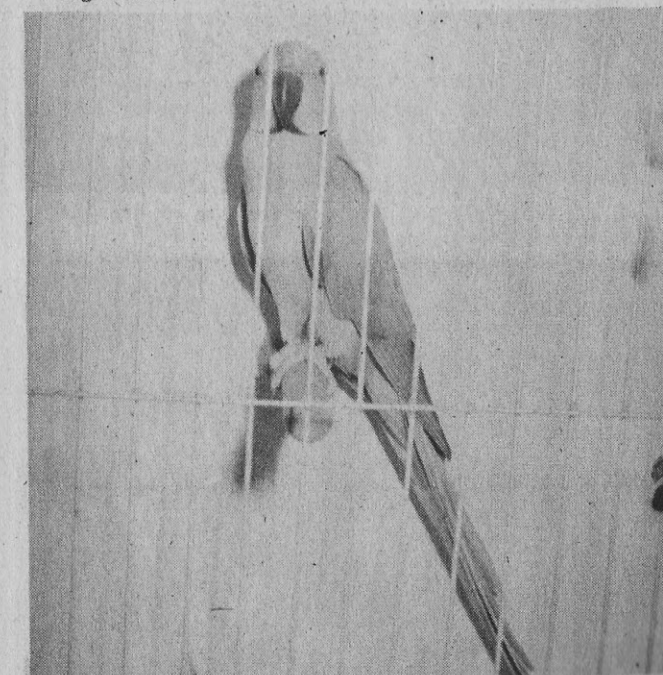

This Cockatiel, owned by D. Russ of Waitara, came first in the Childrens pets section.

This Golden Pheasant, was on display only. It was not entered in any class.

# BIG TIME WRESTLING

Big Time Wrestling came to New Plymouth again some time ago. As usual the event was held at the Y.M. Stadium and attracted scores of people to watch the drama of the ring. And the audience were not disappointed for the big men of the wrestling business turned on an excellent show.

## Inter-Club League

### MARIST B v. FITZROY B

Marist B won their match against Fitzroy B, 14 to 11. The main feature of the game was that Fitzroy were leading at half time 11 to 3. Marist went on in the second half to take the game from Fitzroy. Both sides fielded promising young players but it could have been a lack of fitness on the part of Fitzroy that cost them the game.

### MARIST A v. FITZROY A

Marist A won their match against Fitzroy A in a very close game which ended in a score of 9 to 8. The game was closely contested from start to finish and while Fitzroy were in the lead at half time, 5 to 3, the second half told the story. It was an extremely close game with many exciting moments.

## SCRAMBLES

The New Plymouth Motorcycle Club held their championships at Peringa Park a few weeks ago. It was a cold miserable day and conditions were wet and muddy. While this made things a little unpleasant for competitors, it also gave spectators some thrills. One of the features of the day was an 'old timers' race.

## Plunket's Curry and Rice

Fitzroy-Bell Block Plunket held a 'Curry and Rice' evening at the RSA Bowling Club Hall in New Plymouth a couple of weeks ago. A reasonable sized crowd attended the function and everyone seemed to enjoy themselves. Supper was delicious but what really caught our eye was the imported cans of beer. Nothing less than large sized Victorian Bitter.

The Rice was really nice.

Evelyn and Greg Anderson.

Rosalie Goodwin was quite emphatic.

### BLACK BELT IN KARATE

New Plymouth girl, Helen Upson, has become the fourth New Zealand girl who practises Karate, to obtain her black belt. Helen, who practises Kyokushinkai style Karate and is a member of the New Plymouth Rembuden Club, has been studying Karate for 4½ years. Helen's other interests include, photography, horses, motorcycles and training her dog Mokuso.

Probe is written this month from Palmerston North where Community Public Relations Officers from throughout New Zealand are gathered for their annual conference.

With me this year is Noel Watkins, the South Taranaki Information Officer. We are probably the only two not yet effected by the disease that makes the others sound, look and act potty.

We asked the assembly to supply notes for this column and this was the result.

East is East and West is West and were told by historians, "Never the twain shall meet". But this week the East (Hawke's Bay's Murray Pinfold) meets with pleasure the West (New Plymouth's ME) at our annual conference right in the middle at Palmerston North, in fact: Nev McEwan country.

New Zealand P.R.O.s quote .....

"I wish you would give the girl away" -Mel Tronson, Auckland. (I don't know what that was all about - I have my wife with me - Bryce Mc).

"I'm convinced the P.R.O. secretary is leading me astray -Mike Veal, Nelson.

"Decided to give in and go with the tide" -Jock Stevenson, Napier.

As I said at the commencement of this column (and to coin an advertising phrase) - "they're all nuts down here".

The New Zealand Travel Convention was held in New Plymouth the weekend prior to our get together in Palmerston North. I'll comment on that at some other time. Suffice to say that I arranged to meet South Canterbury P.R.O. David Hall (Timaru) on his arrival at New Plymouth airport.

Somehow our flight plans crossed he was aboard the city bound coach as I arrived at the airport. Caught up at another landing pad later that day - his accommodation house, to be precise.

Herewith David's reflections on effort, attitude, staying ability etc:

He made every attempt to assist the South Canterbury P.R.O. in view of the airport error.

One did too: so much so that David travelled as a passenger in my car to Palmerston North.

We lunched at Wanganui - where cowboy Gerald (PRO) Weekes has us goggling as he rode hell bent to the radio station aboard a motor scooter; but punctured a back tyre a few miles south and hit Palmerston North at rush hour.

We have a traffic problem, also one relating to parking.

But its not much better in Palmerston North.

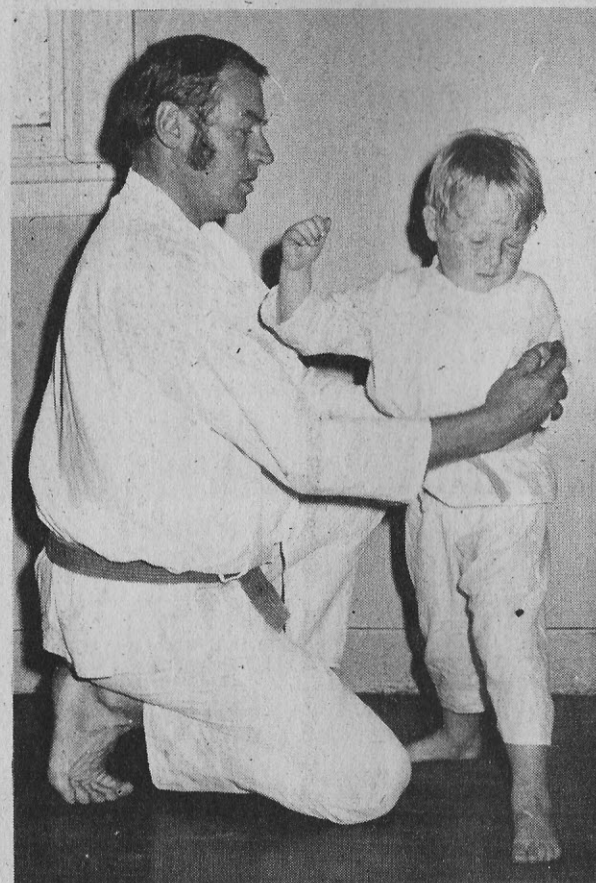

*Instructor, M. Bishop shows Neil Wagstaff how to shape his fist.*

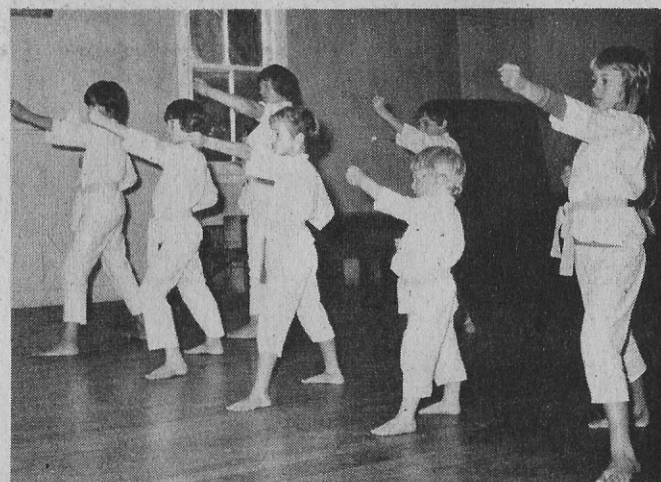

*Mr. Bishop corrects David Bishop's stance for Sto - Strike, a strike to the collarbone.*

## Junior Karate Class

For the past nine weeks Mr M. Bishop, a second Kyu with the New Plymouth Rembuden Karate Club has been instructing a junior class every Saturday morning in the martial art of Kyokushinkai style Karate. The class ranges in age from 5 to 14 and when we made our visit there were nine students. While the instruction is still fairly basic, the kids are obviously most enthusiastic.

*Mr. M. Bishop explains some finer points to his son David Bishop.*

*Jodan Ski, a head strike, is practised by the class.*

## Visit By Squash Champion

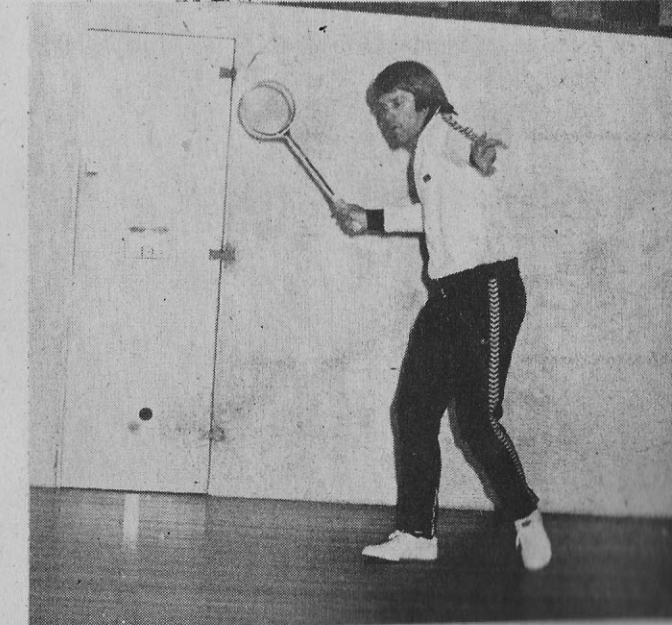

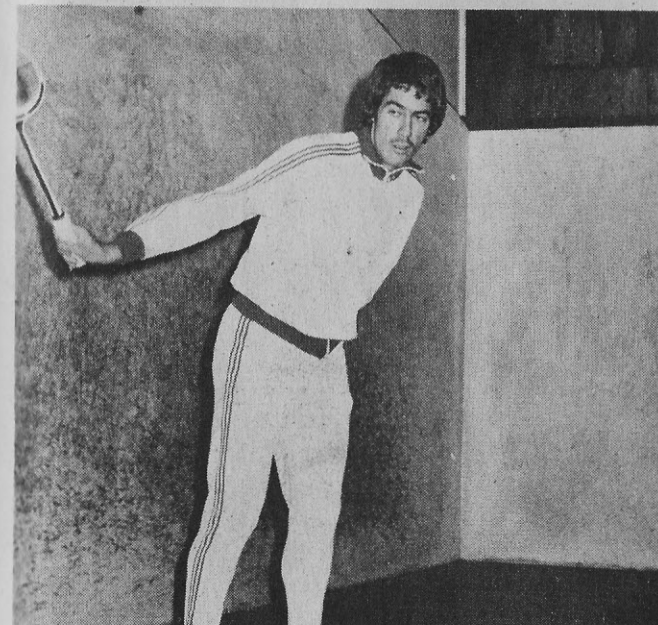

Two world ranked squash players visited New Plymouth as part of a New Zealand wide tour, a couple of weeks ago. World Champion Geoff Hunt of Melbourne and Ken Hiscoe of Sydney gave a demonstration match against each other and also were involved in a squash clinic during their short stay here.

# FANCY DRESS GOLF

When the Waitara Ladies Golf Club members held their annual Fancy Dress Golf Tournament, Photo News was there to catch the fun and the hilarious attire. The girls went out of their way this year to produce unusual costumes, and some of them were really unusual.

Doreen Oxenham came as the Joker.

Ena Halcombe came as a Granny.

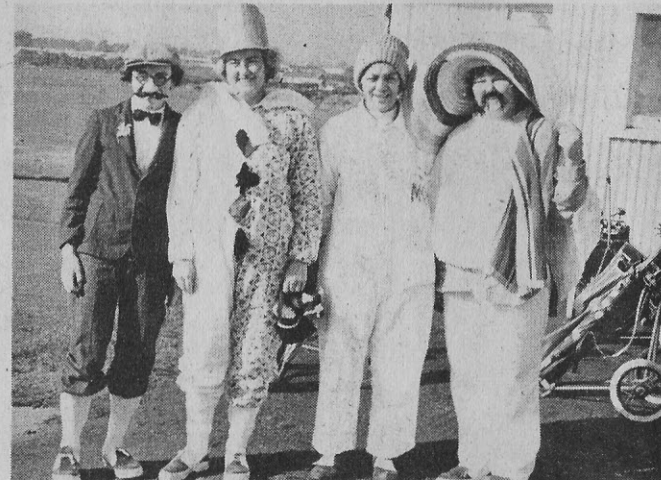

There were headhunters, gangsters, you name it.

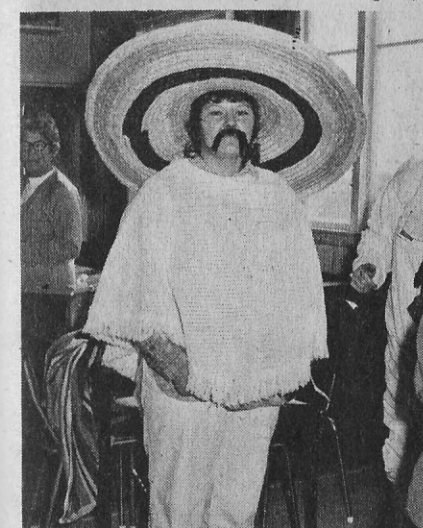

even grannies and schoolboys.

We didn't wait to see how good a game they played, we left before we died of laughter.

*You may think that radio starts and ends with the spinning of discs, but this is only the end result of much work by others.*

## A TOUR OF RADIO TARANAKI

What makes radio tick? We decided to find out so we took a tour of local radio station 2ZP. There are a great number of people involved in the running of a radio station. The disc jockey or announcer is merely the front man. For each announcer there are several 'behind the scenes men' who are all quite necessary to the smooth running of radio. These 'behind the scenes people' include technicians, programme organisers and advertising staff, to name just a few. Radio is basically about people. It is run by people for people.

*Announcer Katherine Chapman mans the airwaves.*

*for programme monitoring where any programme from any source can be routed round the building or to the transmitters. There is a rack to monitor the programme source, which taps onto any part of the technical equipment and can locate any breakdown in transmission within seconds and finally there is the On Air point and remote unit.*

*Of course like any commercial venture, advertising is the keynote to the success of the operation. Pictured is Radio Taranaki advertising man, Peter Liley discussing advertising with a client.*

## TRADE EXHIBITION

PDL Industries organised a Trade Exhibition at the Westown Hotel recently. The display included electrical equipment such as switchboards, motor control gear and commercial and industrial lighting. Many new products were displayed and a considerable number of Taranaki people in the electrical trade attended the exhibition.

## Now Sound

Entertainment News, Views and Reviews

### BLOOD SWEAT & TEARS THIS MONTH

Blood Sweat and Tears will be performing in this country this month.

The group that we will see however will be a much changed one from those chart stopping days of their hits, 'Spinning Wheel' and 'And When I Die'. Blood Sweat and Tears have undergone many personnel changes including David Clayton-Thomas, their one time lead singer who is now solo.

However, the band are still producing that fantastic big band brassy sound that they are renowned for and it should be a great show.

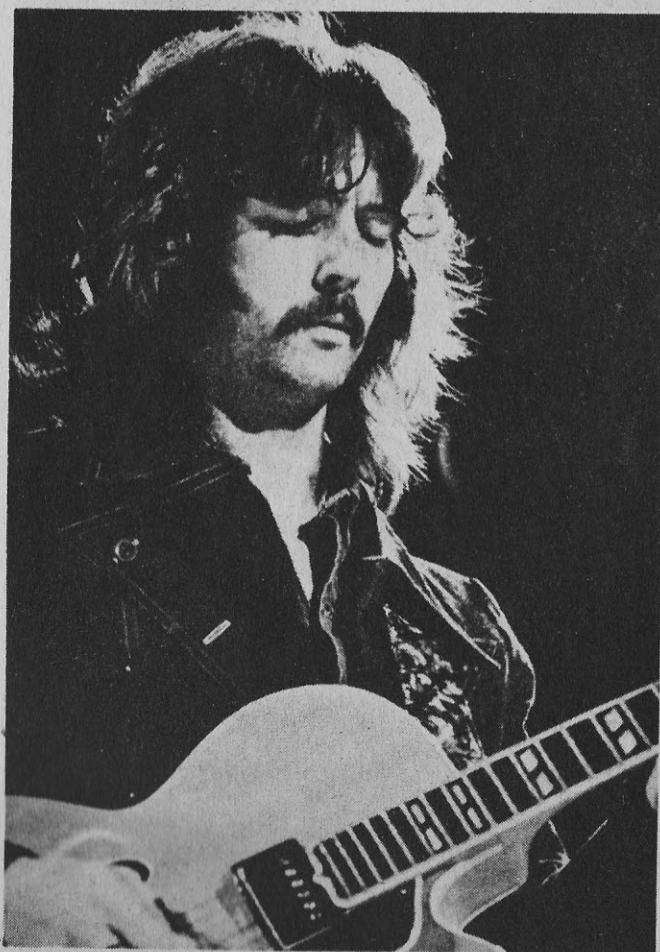

Also in New Zealand this month (Auckland and Christchurch only) for concerts is Nana Maskouri.

### CLAPTON IS BACK

After three years in retirement, Eric Clapton is back.

Clapton is about to record a new album in America and also to form a new band which it is believed will include Carl Radle.

Eric Clapton is also talking of tours of both America and England, as a solo artist.

### BIG GOUGH

Ebony, who had a monster hit in New Zealand with 'Big Norm', have rehased the words somewhat, substituted Gough (Gough Whitlam) for Norm and released the song in Australia.

Hope the guys see some action across the Tasman with their single.

### NEW ALBUMS

THE STING.....Sound Track.....MCA 7220.

It has been said that 'Ragtime' will make a huge comeback as a direct result of this film.

Be that as it may, the film is now screening in Auckland and getting rave comments from everyone who has seen it.

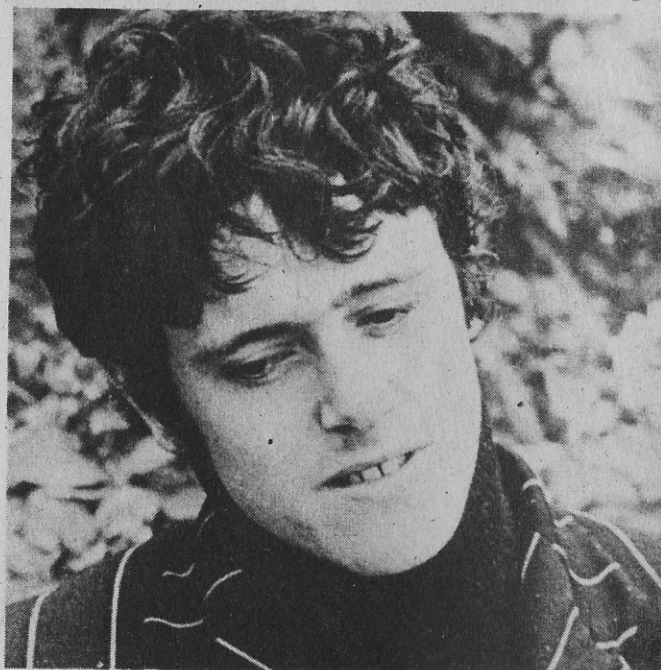

One track, 'The Entertainer' has already been released as a single and gets a lot of airplay on radio. The whole set has a honky tonk - ragtime feel to it and this has been done on purpose. It was felt that this type of material would best convey the feel of the period in which the film is set, namely the 1930's.

DOBIE GRAY.....Loving Arms.....MCA 7142

This guy has to be the most exciting new contemporary balladeer to be recorded in the last couple of years. His voice has a warm and sincere quality and his delivery is in a relaxed and easy style. High spots on this, his second album are... Good Old Song, Reachin' for the Feeling, There's a Honky Tonk Angel and Loving Arms. Dobie will find an ever expanding market for his work for he certainly has what it takes.

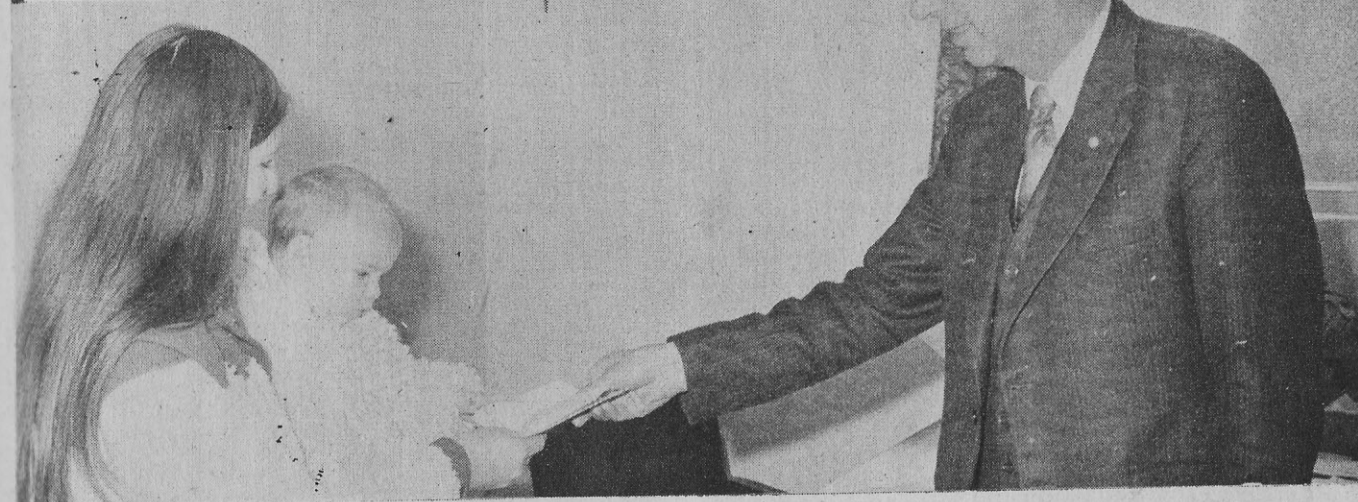

DONOVAN.....Essence to Essence.....Epic 474 163

After a long absence, Donovan is back again. This is actually his second album on the comeback trail and it could be loosely described as mellow, soft and gentle. Donovan has not made the impact he should have with his new work. He has a valid statement to make on his new songs. With maturity, Donovan's work has a more realistic approach. His message may be the same, peace love and happiness but his approach to it has changed.

### RESULTS OF STAR TREK QUIZ

Readers must have found our Star Trek Quiz a little difficult for we did not receive the number of entries that we had hoped for. Of the 46 entries that we received, only one was answered 100% correctly.

The correct entry was by Craig Houston of New Plymouth.

There were some swept up machines entered but those carrying the least weight seemed to do better.

## TROLLEY DERBY

Pukekura Lions organised the recent 1974 Taranaki Trolley Championships which were held at Borrell Avenue in New Plymouth. The event was sponsored by I.W.D. and the various races saw quite a large number of entries. In fact we don't remember ever having seen quite so many trolleys in one place before.

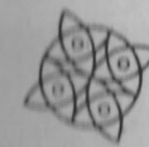

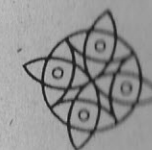

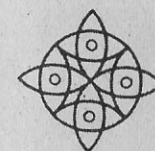

The words of encouragement from Dad are over and they're on their way.

Down the hill three abreast and each hoping he will be the winner.

Another race is underway and it's off down the hill at speed.

## Readers Write

Sir,  
I have enjoyed reading your magazine for many years and like your change, except I am sorry to say, don't like the quality of the paper. But I for one will still be a regular reader.

Irene - Hamilton.

*We would have preferred to use higher quality paper on the magazine too, but the recent price rises in the cost of paper makes this impossible.....Ed.*

Sir  
Hardly a month goes by when we don't hear or read about the destruction of yet another old building in New Plymouth.  
This is done in the name of progress, yet our heritage is being torn up for firewood to be replaced by yet another shapeless modern building.

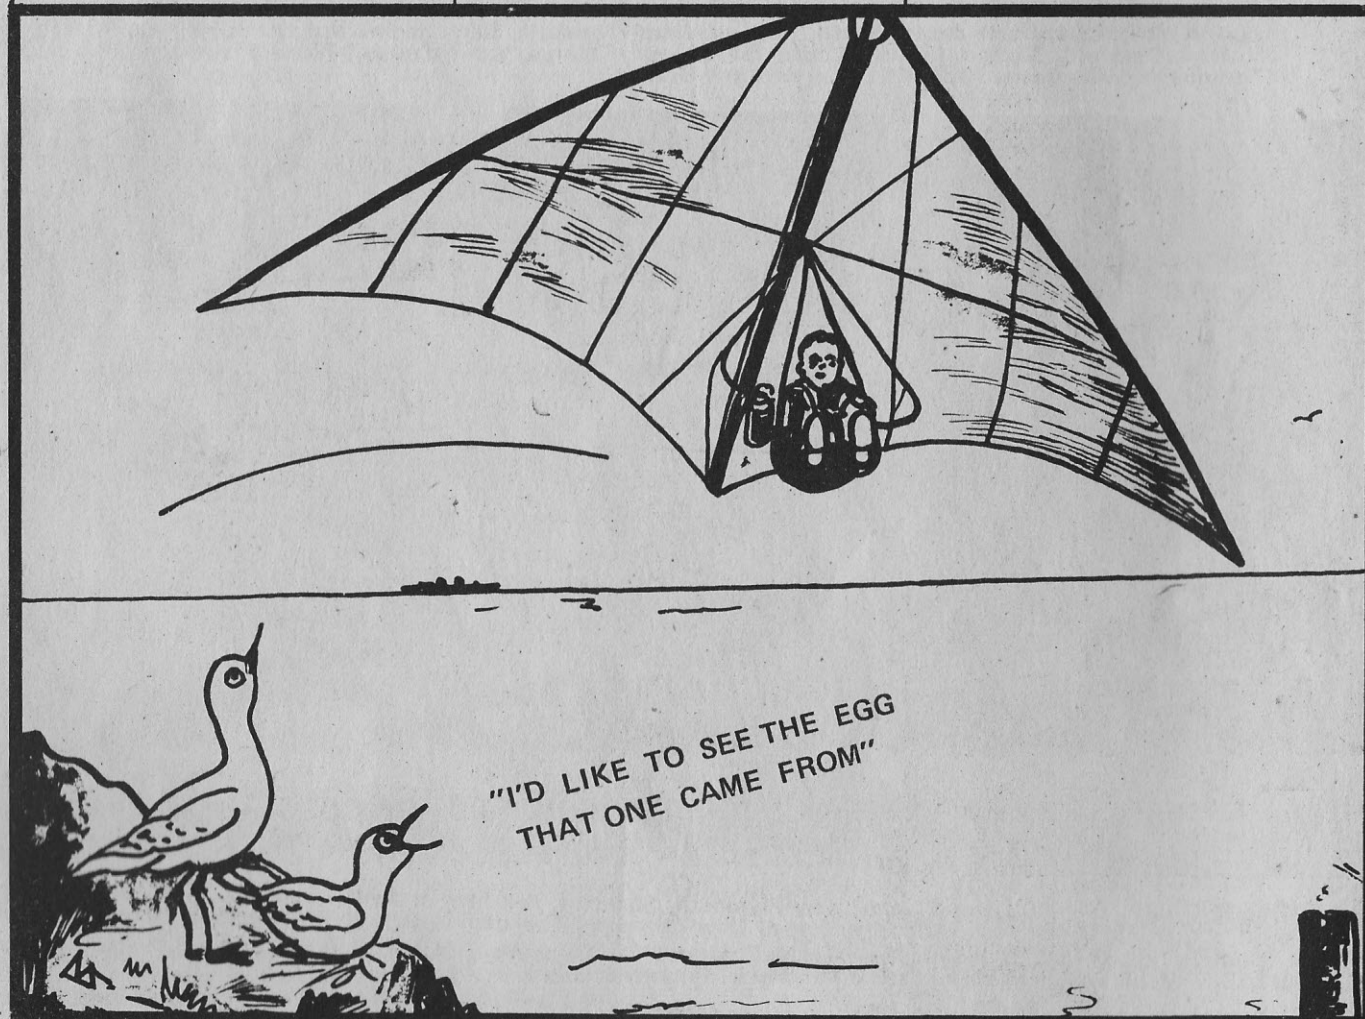

While I realise that new buildings are essential, surely more consideration could be given to retaining at least some of the grand old buildings of an earlier age and restoring these.

R.J. Watson New Plymouth.
